

CONCRETE BUSINESS SIGN - FORT BEND COUNTY, TX

PROJECT DESCRIPTION

First Colony's concrete sign needed a coating that would protect it from the elements. Owners turned to Arisfor[®] Multi-Surface Waterproof (MSW), and its superior protection, to help shield the concrete from discoloring. **The sign was power washed and then MSW was applied to keep it looking new with little continued maintenance required.**

KEY POINTS

- Quick Dry Time
- Long-Lasting
- Superior Protection
